Sprint #4 Report

EasyRoute

June 4, 2024

Actions to stop doing:

- Coding on the project.

Actions to start doing:

- merge branches
- make sure all of our features work for production
- work on getting our documentation and deliverables ready

Actions to keep doing:

All of our assignments are new.

Work completed/not completed:

- Completed:
  - **User story 1**: As a user, I need to be able to see where an elevator is to get to an upper level. [3]
  - **User story 2**: As a user, I want to be able to choose whether I'm walking, driving, or using any other travel mode. [3]
  - **User story 4**: As a user, I want to be able to click on a location on the map and report any accessibility features in need of repair. [3]
  - **User story 5**: Fixing up the UI of the map.
- Not completed:
  - **User Story 3:** As a user, I want to be able to click on a location on the map and see the accessibility features of the facility. [3]
  - **User story 6**: Add bus stop locations to map.

Work completion rate: 75%
